Epson **GP-M831**

No. 1 EUROPE'S LEADING POS PRINTER MANUFACTURER*
*Source: Interconnection Consulting 2013

Offering a more flexible alternative to dot matrix technology, the GP-M831 combines the sturdiness of a dot matrix printer with the advantages of inkjet, such as wider media compatibility and higher-quality prints.

Unlike dot matrix printers, the versatile GP-M831 can print advanced barcodes and crisp text, and can be used with a variety of media, including glossy paper and labels. Whatever the media used, Epson's DURABrite Ultra pigment ink yields long-lasting prints that resist water, fading, smudging and highlighter pens.

The GP-M831 has a durable build and is designed to provide up to five years of high-volume, high-performance printing. Patented Epson technology protects the printhead nozzles from dust, making the GP-M831 suitable for demanding environments.

Helping to improve efficiency, the GP-M831 prints up to 91.7mm/sec in super draft mode, and clears paper jams in seconds by automatically releasing the paper if an error occurs. This is backed up by a push-button manual paper release.

The GP-M831 comes with parallel, USB and LAN 100/10BASE interfaces as standard to make integration easy.

.

KEY FEATURES

- **Tractor feed**
  Prints on continuous single layer paper
- **Flexible**
  Prints advanced barcodes
- **Versatile**
  Use with glossy and label media
- **High-quality**
  Long-lasting prints
- **Reliable**
  Anti-nozzle-block technology

EPSON®
EXCEED YOUR VISION

PRODUCT SPECIFICATIONS

PRINT

Print Speed (label)	92 mm/sec
Print Speed	92 mm/sec
Dot density	5,760 dpi x 1,440 dpi
Printing Characters	Text (incl. Euro symbol), Graphics, Barcode

PAPER

Paper Types	Continuous paper, Die-cut label
Paper size	76 mm - 241 mm (Width)

INTERFACES

Interfaces	USB 2.0 Type B, Bidirectional parallel, Ethernet interface (100 Base-TX / 10 Base-T)

GENERAL

Product dimensions	464 x 465 x 224 mm (Width x Depth x Height)
Product weight	12.68 kg
Noise Level	Operation: 48 dB (A)
Sound Pressure	Operation: 48 dB (A)
Installation	horizontally
Humidity	Operation 20% - 80%, Storage 5% - 85%
Temperature	Operation 10° C - 35° C, Storage -20° C - 40° C

PRINT TYPE

Technology	Inkjet

POWER

Power Supply	Internal power supply

OTHER

Warranty	12 months Carry in
	Optional warranty extension available

LOGISTICS INFORMATION

SKU	C11CC69132
EAN code	8715946530680
Dimensions Single Carton	670 x 585 x 430 mm
Carton Weight	16.63 Kg
Multiple Order Quantity	1 Units
Country of Origin	China
Pallet Size Euro	8 Units (2 x 4)
Pallet Size Block	8 Units (2 x 4)

Epson **GP-M831**
